

# Expansion with sales history and product search

## For SuperOffice CRM 5

SuperManager ProductPage offers the possibility of a number of extra features in SuperOffice CRM 5 which makes your use of SuperOffice more effective.

### Extra features

SuperManager ProductPage makes it possible to import and display unlimited lists of data on your customers:

- Sales history
- Purchase history
- Product list
- User defined data

LEGO Fonden  
Koldingvej 2

List of orders for this year

### Display of statistics

SuperManager ProductPage shows sales figures at your own choice. Thus you achieve an excellent overview.

Graphical display of the sales status for the customer: Last year, this year and budget.

### ProductSearch

You can search for the companies which have (or have not) purchased a specific product. It will thus be easy for you to follow up on sales campaigns and find the customers who have not yet purchased the campaign product.

PRODUCT SEARCH

Search for: 1011

Select those who do not fulfil search criteria

Our contact: Anders Dyre Jespersen

Search result:

- Falck Formco A/S (ADJ)
- Falck Schmidt, Sjælland A/S (ADJ)
- LEGO Dacta A/S (ADJ)
- LEGO Security ApS (ADJ)
- Maersk Broker K/S (ADJ)
- SAS Scandinavia Hotel, Aarhus A/S (ADJ)
- Sass Holding ApS (ADJ)

Select all Deselect all Antal: 7

Insert selected companies into selection

New selection name:

Existing selection: Danske firmaer

Insert into selection

All customers who have purchased product No. 1011. They can be placed in a selection for further follow-up.

### Total customer report

SuperManager ProductPage makes it possible to print a total customer report at your own choice:

- Selected customer information from the company card and the Company More Tab in SuperOffice
- Sales history
- Graphical display of statistics
- Notes
- and much more..

### Adapted to the needs of your company

SuperManager ProductPage makes it possible to customize a display and a customer report for the needs of your company. The result is improved overview and efficiency.

## SuperOffice Solution Provider

SuperOffice assumes no responsibility for products developed by third party products used together with or in connection with SuperOffice software. The solution provider shall defend, indemnify and hold SuperOffice harmless from any third party claims, from the use of the SuperOffice Products under these terms. SuperOffice warrants the SuperOffice product according to its end user license agreement only when no changes have been made to the product.

# SuperManager ProductPage

## Technical Specifications

### Import of data

SuperManager ProductPage makes it possible to import your own data into the following fields in SuperOffice:

- Company
- Contact person
- Sales
- Project

It is possible to import an unlimited number of lines and columns of data.

SuperManager imports the data. ProductPage displays them.

### Installation and maintenance

SuperManager ProductPage contains a design kit. Adjustment and layout of displays can be made by your SuperOffice dealer, by Siteshop or by one of your SuperOffice IT-technicians.

### Current maintenance

SuperManager ProductPage are maintained, and new versions are released concurrently with new versions of SuperOffice CRM 5.

### System requirements

SuperManager ProductPage requires:

- SuperOffice CRM 5 ver. 5.6+
- Internet Explorer 5+

### Order SuperManager ProductPage

- Order direct from [www.supermanager.dk](http://www.supermanager.dk)
- Contact your SuperOffice dealer, or
- phone Siteshop (+45) 70 20 19 78
